Re: Modine Manufacturing Company – Camdenton, MO
Quarterly Report for period ending September 30, 2010
AOC No. 99-HW-002

Dear Ms. Kump-Mitchell:

The following is a summary report of the activities completed from July 1, 2010 through September 30, 2010 at the above referenced site. This report is being submitted as required by the Corrective Action Abatement Order on Consent, Order No. 99-HW-002 (AOC) paragraphs 91 through 94.

Description of work completed during the quarter:

- On July 14, 2010, Modine received an email letter from the Missouri Department of Natural Resources (MDNR) approving the Quality Assurance Project Plan (QAPP) submitted by Modine on June 21, 2010 which described procedures for sampling and analysis of the indoor air at the Camdenton facility. A hard copy of that approval letter from MDNR was received by Modine on July 16, 2010.
- On August 11, 2010, Modine submitted a Final QAPP to MDNR which incorporated MDNR's request for removal of the definition of residential land use from the Plan.
- On August 12, 2010, CH2MHill conduct indoor air sampling at the Camdenton site in accordance with the scope of work described in the QAPP.
- On August 13, 2010, Modine received a letter from MDNR approving the Final QAPP dated August 11, 2010.

Summary of findings, data, etc.:

No findings or new data to report during the reporting period.

Summary of problems or potential problems and any corrective measures implemented:

No problems were encountered during the quarter being reported.

Projected work for the next reporting period:

We are awaiting the results of the indoor air sampling conducted in August. Those results will be used in completing a Human Health Risk Assessment which will be submitted to MDNR and USEPA.

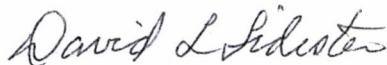

As agreed during a May 6, 2010, teleconference with MDNR, Modine has agreed to revise the RFI Report upon its future submittal to specify the new property owner and to clarify that there are no other deed restrictions for this property.

Instances of Non-compliance with the requirements of the Order:

There were no instances of non-compliance with the requirements of the Order during this reporting period.

If you have any questions concerning this report, please contact Mr. Thomas E. Meitner, EH&S Manager at (262) 636-1412, or by email at t.e.meitner@modine.na.com.

Sincerely,

David L. Lidester
